Dear, Honorable Judge Ronnie Abrams

How you doing? I pray all is well with you and your love ones by the time this letter reaches you. The reason I'm writing you is because I'm requesting to be placed on Home Confinement. According to the new laws under the Step Act I meet the requirements for home confinement. The charges I was sentenced to was non-violent, I already completed 50% of my time. I currently have 39 months jail time, add my good time I have 50 months. My sentenced was 70 months. Due to the Covid-19 pandemic I cannot be transferred to my facility and take ADAP or any programs that would help me get home faster to my family. Right now, my mom and sister, the rest of my love ones are stressed and depressed, they miss me and want me home, especially my kids. On May 1st I tried to commit suicide because I was so stressed out and felt hopeless and couldn't take it anymore. Thanks God I'm still alive because my family would of been devastated.

On that very same day I was physically and sexually assaulted by the C.O.'s. I do not feel safe via video anymore at all. Miss, Staff and

inmates have tested positive for Covid-19. One of
 the Co's told me he had it and he wasn't wearing
 the facility with no mask on. I was born with
 Severe Asthma, Chances are if I catch this virus
 I may not survive. I use a asthma Machine when
 I'm home, right now all I have is my asthma
 pump. Also, I have High blood pressure, P.T.S.D
 insomnia, depression, Claustrophobia, nightmares among
 other things. Ever since the blackout experience
 things have been occurring. I feel my lawyer and
 stress the fact about my mental illness problems
 at my Sentencing hearing. I should of qualified for a
 sentence departure due to my mental health issues
 and being in MSE during the poster outage in January
 2019. According to the Step Act, if any extreme/exceptional
 Circumstances (Which is the Covid-19 pandemic) inmates who
 have non-violent crimes and already did 50% of their
 term qualify for home confinement. It's been passed 30
 days since the warden denied my home confinement, I'm
 respectfully asking you to take everything I wrote inside
 this letter before making your decision. If you was to
 release me back into Society I would not disappoint
 you. My Aunt, Krystal Cigill (765846012) already
 agreed and said it's okay for me to stay at her house
 she lives in New Jersey, please get back to me as soon as
 possible, thanks you for your time.

Sincerely,
 2Cuzell
